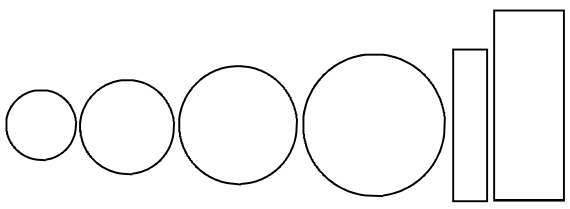
Customizing the Pendants

- ☑ Greek letters are considered extra large letters and are available in serif or sans serif font. *Sans serif font will be used unless you specify otherwise.*
- ☑ Greek pieces are **Official Licensed Products**, and a portion of the sale of each piece goes back to that specific sorority to be used for scholarships and other needs of the sorority.
- ☑ Extra large letters are available for a single initial letter or for use as the middle letter in a monogram-style imprint.
- ☑ A cross, apple, heart, tiny heart, crown, arrow, skull & crossbones or infinity image can also be stamped onto any piece. Additional images & add-on charms are available. Please ask for details.
- ☑ 14K yellow gold and 14K white gold are available upon request.

Orders typically ship within 7-10 business days.

Rush orders and/or additional sizes and materials may be possible for an additional charge. Any order requiring delivery in less than 7 business days from order date will be assessed a rush charge.


Each necklace is handmade. Slight variations in stamped character/letter size and placement may occur as with any artistic medium. Each character is permanently hand-forged into the metal without the use of a machine
